TELSTAR SPORTS DEBUT SATURDAY AT MESSALONKEE

Telstar Regional High School will open its fall sports schedule Saturday when the Rebels visit Messalonskee for a 1:30 football contest. Action will continue at half-time when the Rebels' cross country squad is entertained on the Messalonskee course.

Although the football squad will feature several freshmen and sophomores in the starting unit, Coach Dick Collins seems very optimistic following three pre-season scrimmages in which the Rebels displayed a tough defense and a well-balanced offense.

The Rebels will be led by three-year letterman and captain, Donny Lutton, a hard worker doing yeoman service both offensively and defensively.

Probable starters in Saturday's contest include lettermen Ron Deegan at quarterback, along with Wayne Cummings and Peter Blake at the half backs. The fullback slot will most likely be filled by letterman Al Yorks or transfer student Randy Baker. Other boys scheduled to see action in the backfield include Kevin Truward and freshmen Doug Bock, Levi Brown and Paul Farrar.

The line will be anchored by letterman Don Lutton, Dana Melville, Chris Gill, Frank Howard, Tim Rosenberg and Rex Cummings. Lutton and Rosenberg are the top tackle candidates while Melville and Cummings are slated to fill the end spots. The guard positions will be held down by Chris Gill and sophomore Randy Olson. Frank Howard will start at the pivot position.

Other players who will probably see action in the line include Dana Morgan, Al White and Glenn Olson at tackle. Fran Westleigh at line backer, Kurt Vail at center and Ben Warner at middle guard.

Other boys trying for positions include backs Gary Wright, Ralph Swan, Dennis Browne, Bill Murphy and Mike Mills. Among the line men are Gary Morgan, Dick Westleigh, Chuck Mason, Peter Thurston, Mike Wright and Greg Merrill.

At the half of the football game Coach John Apple's cross country team will take off in a dual meet over the Oakland course. The team will be led by returning lettermen Dave Lane, Roger Buck, George Gibson, Gary Howe, Dennis Gill and Dean Walker. Other runners to see action include Ed and Ray Juhl, Mark Colby, Mike Davis, Randy Brooker and Matt Wright.

The teams have been drilling diligently for four weeks in preparation for their opener this week end, and they would appreciate as well as deserve a strong following when they invade Messalonskee.

BETHEL RECEIVES CHECK

This week, one of the roles of Civil Defense at the time of natural disaster, was emphasized when Bethel Town Manager Elwyn Dickey (left), with Bethel C. D. Director John S. Greenleaf (center), and County Director William Bartlett of Rumford Point, was presented with a check for \$3,616.39.

After the floods of the winter of 1969-70, Governor Curtis, on the advice of Civil Defense officials, declared parts of Maine as disaster areas.

The Governor's action set into motion events that supplied the local governments as well as individuals in these areas with help from several federal agencies in the form of money, supplies and technical services.

Several million dollars has been allotted to Maine in a Disaster Relief Fund. Oxford County received some \$200,000 of these funds.

HISTORICAL SOCIETY ANNOUNCES HOME-COMING PLANS FOR OCT. 23

Tuesday afternoon, Sept. 7, Co-Chairmen Elizabeth Carter and Edward Quinn of the Bethel Historical Society met with their committee at Garland Chapel for further planning on the Homecoming to be held on Oct. 2 and 3, an event which also commemorates Bethel's 175th Anniversary.

Each Historical Society member of the planning committee, is chairman of a sub-committee which includes persons from other Bethel organizations.

As sponsoring Society, the Bethel Historical organization feels that everyone will want to take some part in the forthcoming celebration, and suggests that anyone who has not already been asked to help and would care to, promptly call either of the Co-Chairmen or any member of the committee.

Chairman Elizabeth Carter reported that the response from Bethel business people in contributing prizes for the parade, also art exhibit, has been most gratifying. Again any business that has not yet been contacted is asked to kindly contact her and let her know if they would contribute a prize, either cash or merchandise.

A painting donated by Faye Taylor, on which donations are being accepted, is on exhibition currently at Clukey's Pharmacy, where tickets may be purchased, as they can be at a number of other Bethel businesses, as well as from all members of the Historical Society. It is hoped that a large sum will be realized from this to use towards Historical Society projects. People are also reminded that yards of pennies (43 cents to a yard) are much welcomed towards the mile the organization has been trying to complete.

The program outline for Homecoming, details to be furnished later, is as follows:

Saturday, Oct. 2 Registration and Art Exhibit open at 10 a. m. at the Methodist Church annex, where snacks will be served until five. From 1 p. m. to 5 p. m., the Antiques exhibit will be open at Garland Chapel. A dinner limited to 100 will be served by a volunteer group at the Congregational Church from 5:30 to 6:30—tickets may be obtained from members of the committee. This will be followed by an evening entertainment.

Sunday, Oct. 3 Registration will continue at the Methodist Church, 10 to 2 p. m., and there will be a joint church service at the West Parish Congregational Church at 10:29. The Telstar Cafeteria will be open with the staff serving luncheon for a nominal fee, from 12 to 1. Robert J. Gerardi, Superintendent, continued on Page Four

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The Town received a check of over \$3,000 as reimbursement on flood damage suffered early in 1970. This was for the most part, for work done on the drain across Pathbrook Street.

We have had problems at the dump as our bulldozer has again broken down. We have made arrangements to hire another machine until we can repair our's. It is apparent we must acquire a different machine as it is becoming impossible to keep the present one in operation.

A meeting was held last Thursday evening with representatives from the Farmers Home Administration Board of Selectmen, engineers for

the project also Town Counsel, and Manager to discuss the possibility of F. H. A. financing and grants toward the sewage disposal system. There is so much preliminary work to be done there is no chance of starting construction until spring. As of Sept. 1, we collected 41% of the 1971 tax commitment. This was without doubt due to offering the 2% discount for taxes paid prior to Sept. 1.

GREENWOOD CITY

— Mrs. Colista Morgan, Corvus. —

A golden dawn seemed to have thrown its yellow light into the early blue of a glorious day. The softness of September has come and there's a brief period of beauty just before the brilliant colors of fall spread over our land.

Millions of people watch and rejoice in the endless variety of the sea; the waves breaking against the shore, shifting sands; and I was one of the million one day recently. All worry, dust, and city air was replaced with a clean, fresh salt-langy breeze from the sea on arrival.

At first we ate our lunch then moved to a place of drop-off, facing the Atlantic with no beach; just a wilderness of ledges below us.

In the far distance near the surface of the water all was shrouded in mist. But as we chose a place to watch the waves roll in the sun had burned through clouds that might have formed over the sea.

Fishermen occasionally arrived as solitary figures pulling slatted lobster traps.

As far as eye could see along the shoreline were rough, then smooth fantastic rocks "growing" everywhere devoid of vegetation making a surface not easy to describe.

Spread out before us was the splashed reflection of the sun shining back from the water. All was peaceful and glassy, the air balmy. We felt relaxed and content just to sit and watch.

Sandpipers with alert eyes came within a few yards as did the gulls to see what we were about. The sandpipers seem always in a hurry. They dart forward, probe then retreat from an oncoming wave as twilight footed as if they were on a hot plate.

A loon was curious and came to inspect a few yards off shore.

The waves were the same yet ever different. Only when almost in the shore did the swells cave in, falling with the gurgle of a dying

breaker, an indrawn breath, a boom the receding wash. The fluffed meringues along the ledges were a contrast to the colorful glory of glinting peacock tints. We spoke of the slumbering passion of its lurking treachery, of the rages into which it could lash itself. The sullen swells could roll up at the nod of its master, the wind.

The breeze now blowing in was exhilarating.

Time passes. Although the sun was still high, we had to leave.

A few gulls were competing for altitude records in a cloudless sky as we took our way homeward. But that vision of out-of-the-world beauty still is linked with all my memories.

The Vernon Inman family and Mr. and Mrs. Chester Bowen have left their cottages to return home after a summer here.

Doris Hayes and Colista Morgan met with other retired teachers at Agnes Gray's camp on Friday.

David Holt is working at the Conservation School cottage at Bryant Pond.

Week end visitors at Mr. and Mrs. Leonas Holt's were Mr. and Mrs. Robert Holt and son, Bangor. Callers were Rena Bacon, West Paris; Donna Morgan, Bryant Pond; Tonda Mills, Shapleigh.

Mr. and Mrs. Clyde Morgan called on Mrs. Ruth Hastings, South Paris on Tuesday.

Mr. and Mrs. Lauri Tamminen, Yarmouth; and Mrs. Ruth Hastings of South Paris, were Sunday callers at their uncle's, Willie Yates.

Mr. and Mrs. Ben Homans were at their home in Massachusetts a few days this week.

Joy Hayes, Portland was a recent visitor at her grandparents, Mr. and Mrs. Roland Hayes.

Maureen Millett spent several days at Mr. and Mrs. Charles Coffin's in West Paris this week.

Mrs. Katherine Hakala took her mother, Katherine Morey, to Farmington to see the eye doctor this week.

Week end visitors at Mr. and Mrs. Fred Curtis were: Mr. and Mrs. Arthur Cogswell and family.

Ruth Collins, Brunswick, Stephen Cogswell and children, William Stacey, Mr. and Mrs. Carl Curtis, Freeport.

Ray and Marie Curtis accompanied their sister, Colista Cogswell, Freeport, to Ohio for the long week end where they visited their brother, Kenneth Curtis, and family.

Irene Stevens is home from Tugus. Gordon Morgan is on vacation from I. P. Co.

hands after being thoroughly licked, the kids had a treasure hunt. Then the group enjoyed a cook-out prepared by George and Betty Sholtz.

The Upton Union Church held a meeting Saturday night. It was voted to hold the next annual meeting the Saturday preceding Labor Day of 1972. It was decided to hold church services on Saturday night next summer on a temporary basis.

A complete financial report was given and discussed. The large chandelier which hung from the ceiling of the church and was equipped with kerosene lamps before the church had electrically was discussed and described by some who remembered it. The group decided to look in the grange hall to see if were stored there. Some checked the back rooms while one inspected the kitchen cupboards, cutlery drawers and boxes of kitchen supplies. The chandelier was not found. Does anyone know what became of it?

Most of the camps were full over the week end. Labor Day brought a drain on what authors call "summer complaint" but as one lady said to the part-time residents,

"What will we do when you are all gone." I join her in her sense of loss although for entirely different reasons from those she expressed.

The Pied Piper-Errol Consolidated school took away our kids Tuesday morning leaving only Jill Murphy.

The Tucker family were all at their camp over the week end. Mr. and Mrs. David Tucker are staying on for a week's vacation.

The Zanellis have gone to Nova Scotia for a few days.

Mr. Barler shot a coyote in the area of the gravel pit.

Joe Bernier repaired the Grange Hall door so we can now keep it closed to keep out the elements.

Peter Jenkins is offering a mobile home for sale. I caution any would-be buyers that this is a hot item and they might get stuck in the bargain.

A fellow from Portland who was enroute to a fishing trip came in to borrow a tow chain as a car had broken down near the Grafton town line. One of the four elderly passengers was a diabetic and another was a cripple so he towed them to Rumford where they could get necessary

Mr. and Mrs. Albert McAllister and three sisters, Mrs. Addie Lancaster of Magalloway, Mrs. Ina Kinney of Berlin, N. H., and Mrs. Lena Allen of West Stearnstown, N. H., and a brother Clara of Rochester, N. H. The funeral was held at Portsmouth on Saturday and cremation was held on Tuesday.

Mrs. Helen Hart of Magalloway returned Wednesday from a visit to two nieces in Camden.

Mr. and Mrs. Russell Bennett, their two children Wendy and Stephen, and his father, Lena, were at the Amoscos House last week end. They reside in Portland.

Mr. and Mrs. Maurice Parsons and family visited her sister, Mrs. Grace Hevers and her family at Manchester, N. H., recently.

It seems very quiet with the holiday over but the weather is cloudy and cold with rain.

The combined Wilson's Mills and Magalloway schools began Wednesday at the Magalloway school with Mrs. Gwen Littlehale as teacher.

MRS. WALTER H. BOND

Mrs. Walter Huntington Bond of Bethel, honorary president of the Bethel Senior Citizens, died Monday morning, Sept. 6, 1971, at a Rumford nursing home where she had been a patient several weeks.

Florence Thompson Bond was born at Brooklyn Heights, N. Y., 1889, the daughter of Charles and Carolyn Jayne Seward Thompson. She was a grand-niece of William Henry Seward, Secretary of State in the cabinet of President Abraham Lincoln.

With her late husband she had been a summer resident of Newry at Sonnydale Farm for many years, while maintaining their home in Garden City, Long Island. They moved to Bethel about 10 years ago. Mr. Bond, a well-known attorney and outdoorsman, died in January of 1965.

During six years as president of the Senior Citizens, Mrs. Bond endeavored herself to her adopted community by her energetic efforts to make the organization interesting and helpful to its members. On her retirement from active leadership in March, 1970, she was named Honorary President.

Recognizing the rather extraordinary contributions which she made to others, she was named to receive the first annual Senior Citizen Achievement award by the Greater Bethel Chamber of Commerce in 1969.

She attended the Bethel Methodist Church.

Surviving Mrs. Bond are two daughters, Mrs. Heber (Virginia) Lloyd, Suffield, Conn.; and Mrs. Francis (Patricia) Doon, Bethel; a step-daughter, Mrs. Madeline Bond Fisher, Wellesley Hills, Mass.; and a step-son, Jamison Bond, Grosse Point, Mich. There are three grandchildren and four great-grandchildren.

Funeral services were held at the Greenleaf funeral home on this Thursday afternoon, with the Rev. Thomas Caton officiating. Committal services were held at the Riverside Cemetery, Bethel.

Mr. and Mrs. Clifford W. Laws, of Rockcraft Lodge, East Sebago, and formerly residents of Bethel, announce the engagement of their daughter Martha Elizabeth, to Frederick H. Anderson, Jr., of Newton, Mass., son of Mr. and Mrs. Frederick H. Anderson of Reading, Mass.

Miss Laws is a graduate of Boston University and Gould Academy. She is presently employed as a secretary at Allyn & Bacon publishing house in Boston.

Mr. Anderson is a graduate of Boston University and works as a staff consultant at International Data Corp., Newton, Mass.

A May wedding is planned.

BETHEL EVENING EXTENSION
The first Extension meeting will be the County meeting held at Merriam High School on Sept. 13, at 7:30 p.m. A sympathy fall wardrobe of fashion will be shown.

HARRY E. MASON

Harry E. Mason, Bethel's oldest citizen, died Sunday evening, Sept. 5, 1971, at a Portland nursing home. Born Aug. 7, 1888, he was the son of Charles and Melissa Mason, and great-grandson of the first Moses Mason, one of Bethel's earliest pioneers. Thus born of New England stock and reared in the New England tradition, his personality throughout the years reflected and exemplified this heritage.

He attended Gould Academy and was graduated in the class of '07. But the student life held little appeal. It was the market place that intrigued him, and at the early age of 19 he left home, determined to achieve for himself a career in the world of business. He enrolled at Gray's Business College, Portland, and upon completion of his course was immediately employed by Twichell Chapman as city buyer. His next position was with Webb & Cushing, manufacturer of ladies shoes and located at Portland and Freeport. He was soon advanced to chief accountant and director. His association with the company continued for several years and it was during this time that he became interested in Masonry.

He joined the Freeport Blue Lodge, the Yarmouth Chapter, and the Brunswick Council. These memberships never lapsed throughout the years and in 1955 he was presented the honorary fifty year certificate by the Yarmouth Chapter. In 1967 Freeport Lodge presented an additional star for his 50 year medal dedicating 70 years of Masonic service.

In 1898 after six months in Europe and the British Isles, a trip combining business and pleasure, Mr. Mason became associated with the Baker Extract Company of Springfield, Mass., and was given full charge of its Boston office. He became a resident of Boston where he resided for 40 years. In 1909 he became director and executive vice president of Baker Extract Company, which position he held for 40 years. He was one of two major

stockholders of the company. He was also director and vice president of St. John Extract Company, New York City; a director of Colton Extract Company, West Springfield, Mass.; a director of Van Duzer Extract Company, New York City.

The breadth of his social and civic activities is evidenced by the organizations with which he was affiliated. He was a member of St. Omer Commandery, Boston; Aleppo Temple, Boston; Boston Chamber of Commerce; New England Council; Ancient and Honorable Artillery Company of Boston; New England Manufacturers' Association; Armonk Country Club; and The Boston City Club.

In 1929 Mr. Mason married the former Muriel Park, who survives. Also surviving is a nephew, Dr. Charles Morgan Mason (Ph.D. Yale) of Pittsburgh, a chemist for the United States Bureau of Mines.

In 1940 upon retirement and after a year of travel, Mr. Mason became a resident of Bethel, where he served as vice president of Bethel National Bank, and until his decease, as trustee of Gould Academy. His life-long hobby, the field of investment, now became his chief interest. And from it he derived both mental enjoyment and material reward. Always a realist, he did not strive to be forever young. He met the challenge of age courageously, realistically, philosophically. To him, age was

"An opportunity no less
Than youth itself
Though in another dress"

This was his oft repeated credo. It was the philosophy that guided his declining years. And they were years of rich fulfillment. "The last of life for which the first was made." Thus in the longer view, nothing is here for tears. Mr. Mason's life was long, and successfully, happily lived.

There will be no funeral services. Memorial services will be held in Bethel on a later date.

If desired memorial contributions may be made to Gould Academy in his memory.

IT IS ALWAYS DOCTOR APPRECIATION WEEK

A doctor always must be emotionally geared to handle any emergencies. Any phone call or visit can result in a situation where on-the-spot decisions must be made that can affect a person's life. Sometimes a doctor will call us late at night for a medicine that must be quickly made available for a seriously ill patient. We are glad to help.

Too many of us take our doctors for granted. We do not stop to realize the long, arduous years of study and preparation and the very exacting life a physician must lead. In the pharmacy we are in close contact with doctors and it is very evident to us how much they give of themselves.

Due to the increased number of prescriptions and in order to keep up good service, it would be to our mutual advantage, if you would please phone in rather than prescriptions. — Thank you.
